Product highlights

This Chess Starter Box includes a chess board, chess pieces, the famous DGT Chess Trainer and DGT960 chess clock. The product is presented in a luxurious gift box with magnetic closing lid. The four-way folded laminated cardboard chess board has square size 50x50mm. The DGT designed chess pieces are high quality weighted plastic pieces that will last a lifetime.

The interactive Chess Trainer CD comes with 45 lessons and 1900 exercises in six languages: English, Spanish, French, Russian, Dutch and German. The super strong chess playing software Fritz is included as well as 100 days free PREMIUM access to playchess.com. The chess clock included is the DGT960, the world's only foldable chess clock. This pocket-timer can generate random Chess960 starting positions.

This is the complete package to learn and play and offers exceptionally great value!
